SPECIAL RATES FOR TEACHERS.

State Teachers' Association Will Be in Session Nov. 25 to 27.

Rock Hill, Oct. 29.—Special railroad fares of one and one-third will be granted by all railroads in South Carolina on account of the meeting of the State Teachers' Association, to be held in Spartanburg Nov. 25-27, according to announcement made by W. H. Howard, chairman of the Southeastern Passenger Association. Those who attend will be furnished with a card of identification, and upon presentation of this card to the local ticket agent a round-trip ticket will be sold. This ticket will be validated in Spartanburg by the ticket agent there. Tickets will go on sale Nov. 22, and are good until the 3d of December.

Reports coming to the secretary indicate that the attendance will be very large. Most of the schools will have holiday on Thursday and Friday anyway. The teachers in the upper part of the State can eat Thanksgiving dinner at home and get to Spartanburg in time for the evening meeting.

BETTER THAN WHISKEY FOR COLDS AND FLU

New Elixir, Called Aspironal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter if Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratory, tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you, and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—(Adv.)

MRS. WALTER TAYLOR TRIES

Suicide by Jumping Into Well at Her Home Near Townville.

Anderson, Oct. 26.—In an effort to commit suicide last Sunday night, Mrs. Walter Taylor, of near Townville, leaped into a well 45 feet deep and remained in water four feet deep for almost an hour. Mrs. Taylor is said to have been in ill health for several months, and in an effort to end it all she planned to drown herself. Waiting until she and her family were seated on the front veranda of their home, and until they were busily engaged in conversation, she excused herself, saying that she intended to retire. There was no cause for suspicion on the part of the members of the family that she was thinking of taking her life, and for the next 45 minutes the family remained on the veranda. Then one of the children missed Mrs. Taylor and a search was instituted. The house was gone over from the front room to the kitchen, and as this search proved to be fruitless, an investigation of the out-buildings was started. Just at that time it was noticed that the lid of the well box was thrown back and a noise could be heard at the bottom of the well 45 feet below.

A rope and windlass were secured, and after a short time the woman in the well could have been withdrawn. This was not her wish, however, and instead of aiding those who were working that she might be saved, she pleaded with them to allow her to drown. After working for some time she was pulled from the well water-soaked and exhausted.

Mrs. Taylor was not seriously injured by her leap into the well, as she seems to have jumped in feet foremost. Excepting a badly bruised arm she was none the worse for the fall. The water in the well came well up around her neck, and the fact that she was not drowned can be accredited to the low water in the well, due to the recent extended spell of dry weather.

Doesn't Know Son Killed Self.

Doorn, Holland, Oct. 29.—The former German empress, Augusta Victoria, has not been informed that her son, Prince Joachim, killed himself, although he did so more than two months ago. She merely knows that he is dead.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

SOUTH CAROLINA BOYS WON.

Club Boys Had a Great Time at the Southeastern Fair in Atlanta.

Clemson College, Oct. 28.—News comes from the Southeastern Fair in Atlanta that the team of three South Carolina club boys, consisting of Calvin Moore, of Simpsonville; Carl Smith, of Easley; Boyd Blakeney, of Lancaster, with Province Brabham, of Lugoff, as alternate, won first place in judging Shorthorn cattle, second place on Duroc hogs, fifth place on Angus cattle, and tied with the Georgia club team for eighth place in the general ranking of the clubs, Texas having won the first place.

Cash prizes were offered by ten or twelve cattle and hog breed associations and, the Carolina team drew as prize money a total of \$65, \$30 on Shorthorns, \$25 on Durocs and \$10 on Angus. The club winning first place wins, besides cash prizes, a trip to the Royal Livestock Show in London.

The training received by the team consisted of short course work given at Clemson College for ten days in July and of a five-day trip to various herds in the State under C. L. Morgan, extension animal husbandman. The team had no training outside of the State, but a number of the other teams had this training. Among the other teams were teams from the big livestock States, such as Iowa, Kansas, Nebraska and Michigan, besides a good many Southern States.

Cotton Thieves Are Caught.

Orangeburg, Oct. 27.—Four negroes are now in the county jail, all charged with stealing five bales of cotton from Sarah Shular, a woman who lives near Bowman. As soon as the theft was known Sheriff Dukes and Deputy Gillam, in company of three of the county rural policemen, started a search. One of the men, Adam Stroman, was found, and he acknowledged the theft, it is said, and told who the others were. The theft was made last Tuesday night and the cotton hauled to Bamberg and sold to J. D. Copeland, a cotton buyer of that place, for eighteen cents a pound. The men were given a preliminary hearing yesterday and their bonds fixed at \$1,000 each.

QUESTION CLEARED UP

Walhalla Readers Can No Longer Doubt the Evidence.

Again and again we have read of strangers in distant towns who have been cured by this or that medicine. But Walhalla's pertinent question has always been "Has anyone here in Walhalla been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we can go easily prove.

Mrs. O. H. White, Broad St., Walhalla, says: "A few years ago I had backache and other symptoms of kidney trouble. I had sharp pains shoot through my kidneys and I was in pretty bad shape. I was feeling quite miserable when I was told to try Doan's Kidney Pills and one box entirely cured me. I advise anyone suffering from kidney complaint to give Doan's a trial."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. White had. Foster-Milburn Co. Mfrs., Buffalo, N. Y.

Young Mother Hangs Self.

Dalton, Ga., Oct. 27.—Mrs. Minnie Connally, 22 years of age, committed suicide by hanging herself late Tuesday at her home near Mt. Vernon, six miles north of here, according to the verdict of the coroner's jury.

The young woman left no message giving any cause for her act. Her lifeless body was found hanging in the kitchen, when her husband Bert Connally, a tenant farmer, returned to the home from his work in the fields.

Besides her husband she is survived by three small children, the eldest four years old and the youngest three months.

For Torpid Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. White, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's BLACK-DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Thedford's Black-Draught," is on the package. At all druggists.
